Spring is a great time to buy a house...are you in the market for a new home? How would you go about finding your dream home?

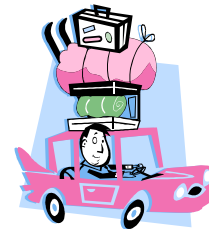

D

- Looks for a prestigious neighborhood.
- Gives realtor price range and has them do all the research – find me a home...
- Hires a moving company to pack up and move their things.

i

- Looks for a neighborhood full of activity – block parties, summer fire pits and pumpkin carving.
- Calls realtor daily with new ideas of what they want in their home.
- Grabs things on hangers and throws into the car – fills boxes randomly to get things moved!

C

- Looks for neighborhood with an economical and practical location.
- Researches online, makes comparison chart and provides realtor with exact home requirements.
- Boxes are marked and organized by room.

S

- Looks for family oriented neighborhood with kids and pets.
- Drives through neighborhoods and gives realtor home qualities that revolve around family – big family room!
- Organized move with marked boxes and friends and family helping out.
