- Click <Add Participant>
- Pick Folder and click <search>
- Check names of participants you want included
- Click <next>

**“When I grow up I want to be ...” We each have our own vision of the ‘dream job’. Does your job fit your style??**

### D - Dominance

D's are naturals at delegating and being in charge. They are most comfortable in roles that allow them to take the lead and feel empowered.

- *Politician*
- *Attorney*
- *Police officer*

### i - influence

i's love to socialize and be around people. Careers for the i's are ones that initiate relationships and allow for general discussion.

- *Travel agent*
- *Salesperson*
- *Radio/TV broadcaster*

### C - Conscientious

C's will gravitate toward jobs that are methodical; detail oriented and offer high quality results. No surprise that C's enjoy quiet, concise work environments.

- *Software designer*
- *Architect/engineer*
- *Accountant*

### S - Steadiness

Dependability, patience and being good listeners are the qualities that lead S's toward careers to help others. S's have compassion for people and animals.

- *Occupational therapist*
- *Veterinarian*
- *Pediatrician*
