

EPIC News... Access Code Future Delivery

You can control when access codes get delivered to your respondent by using the **Future Delivery Feature**.

Note: This feature will not be displayed unless it is activated on the Personal Options>>View Edit Account information screen>>Advanced Options>> Enable future delivery and auto reminder feature for assigning Access Codes >>click “yes”

This allows you to 'preload' access codes when you have time available but delay the delivery until a future time.

Haunted Houses... what are your FEARS?

<p>D - Dominance</p> 	<p>i - influence</p> 
<p>C - Conscientious</p> 	<p>S - Steadiness</p> 

...Next Month... What's cookin' at your house this Thanksgiving??
